“la Caixa” Postdoctoral Fellowships Programme Junior Leader

There are people who, thanks to their hard work and dedication, are destined to achieve great things in life. People like you who, every day, place all their talent at the service of others and who truly inspire society.

So you can achieve your maximum potential and get the training that will position you as a leader, **“la Caixa” Foundation** has created its **Junior Leader postdoctoral fellowships programme**.

33 postdoctoral fellowships at Universities and Research Centres in Spain and Portugal:

- ***Junior Leader Incoming:*** 22 postdoctoral fellowships for researchers of all nationalities to conduct a research project at accredited centres with the Severo Ochoa or María de Maetzu distinction of excellence, the Carlos III Health Research Institute in Spain and units and units rated as excellent and exceptional by Portugal’s Fundação para a Ciência e a Tecnologia.

For Spanish institutions, candidates must not have resided in Spain for more than 12 months in the last 3 years while for Portuguese institutions candidates must not have resided in Portugal for more than 12 months in the last 3 years.

- ***Junior Leader Retaining:*** 11 postdoctoral fellowships for researchers of all nationalities to carry out research at any university or research centre in Spain or Portugal.

For Spanish institutions, candidates must have resided in Spain for more than 12 months in the last 3 years while for Portuguese institutions candidates must have resided in Portugal for more than 12 months in the last 3 years.

A programme aimed at **promoting research and knowledge** in Spain and Portugal, so they can continue advancing and improving the outlook of future generations.

People who drive progress. People who inspire.
